"Enthralls to the last twist." --*RT Book Reviews*

When Jessa Bell revealed she was having an affair with one of her best friends' husbands, no one would have predicted she'd soon be playing the part of the reformed mistress--least of all Jessa. But her experience--and ensuing remorse--has landed her on all the national talk shows and scored her a major book deal. Now that she's pregnant with her ex-lover's baby, Jessa's determined to cash in on all the attention. Trouble is, she's not feeling much genuine regret.

Shunned by her former friends, Jessa is still being propositioned by married men--and decides to start a business to help wives catch their cheating husbands. But when more secrets about her past are exposed, it's going to be tough for her to stay on the straight and narrow--even if it spells disaster for her future. . .
