South West Coast Path: Falmouth to Exmouth (National Trail Guides) Brian Le Messurier

The South West Coast Path, the spectacular 630-mile National Trail around the westernmost tip of Britain, is the nation's longest National Trail. This volume features the 172-mile section of the path from Falmouth to Exmouth, a route which takes the walker past stunning cliff top scenery, fen-like estuary margins, and isolated Cornish coves. Complete with background information on local history, wildlife, archaeology, and landscapes, and a complete description of the route divided into 11 chapters—each covering one day's walk—this is the official guide for the long-distance walker or the weekend stroller.
