## Star-Spangled Rejects J T Livingston

The final story of the Heavenly Grille Cafe series has our favorite angels relocating the cafe to Rome, Georgia, where love, betrayal, murder, discovery, forgiveness, and redemption will all be experienced in a short amount of time. The winter of 2016 is one of the coldest on record, and the angels are working overtime to help a group of homeless people camped out in the woods, across the road from the cafe. Doug is especially drawn to two members of the group-Veterans of the Vietnam and Iraq Wars, and both suffering from Post-Traumatic Stress Disorder-the members have one thing in common. They are all homeless, by choice. A favorite member of the group is killed, and another member of the group falsely accuses one of her fellow cohorts of the crime. The angels and the remaining group members must work hard to help the police find the real killer-before he kills again. Who will die, and who will survive this harsh winter? Not even our angels know the outcome-or if they do, they can't tell us!"
