Are broken roads worth traveling? As the daughter of a hard working single mother, Mallory James is very familiar with struggle. Loneliness becomes a common theme in her life, especially because she suffers with issues such as low self-esteem, poor body image, and a lack of confidence. She's more than happy to be the wallflower who hides away from the world that intimidates her, especially when in high school. Brent Grayson is a wealthy, bold, sexy, and confident star athlete who can land any woman he wants. However, outward appearances can often be deceiving. Though he's a bully with a bad attitude, an odd and seemingly unlikely bond begins after they meet in kindergarten, and continues well into adulthood. Then everyday life happens... Their paths split and a decision must be made. Will Brent and Mallory successfully navigate the roads they're on, or give up and search for a different route all together?
