## **Warhammer: Forge of War** Dan Abnett, Ian Edginton

From the wind-scorched North they've come: The Hordes Of Chaos, ruthless warriors raised in battle and fanatically devoted to their dark gods. On a hundred-mile front across the Northern fringes of the Empire, the defenses of man and his dwarf allies are crumbling, fear threatens to become panic, and the blood of martyrs runs ankle-deep. Here begins the hopeless quest of a ramshackle band led by a mere Greatsword Sergeant Franz Vogel. Vogel must unite his disparate band of men, mages and dwarfs to take the battle to the forces of Chaos that routed them -- but first they must first survive the secrets, both sacred and profane lurking within the primordial forest to which they fled! Will Vogel and his band find deliverance - or eternal damnation!
