Expanding on the original Patriot Fire Team concept, the "Team Manual" considers how to create, equip, organize, and train a four man PFT. The Team Manual covers critical subjects that go far beyond simply purchasing guns and ammo. Topics Include: Individual and Team Training, Equipment and Gear Selection, Mental and Physical Preparedness, Leadership, Team Tactics, Communication and Signaling and much more. This is not another doomsday prepper book that encourages you to hide in the woods. The Patriot Fire Team Manual is a proactive guide designed to give American Patriots the knowledge and information necessary to preserve and secure their families, communities, and their nation. As an added Bonus, the updated 2nd Edition of the original Patriot Fire Team manuscript is included in the Team Manual.
