The Joy of the Second Coming Hugh F. Pyle

The Book of Revelation comes to life in the chapters of this book. Could Christ's return be very near? Will World War III destroy our civilization? What is Armageddon, and when will it take place? Will Christians be caught away from this earth in a secret rapture? Are the events described in Revelation to be taken literally? What about the Mark of the Beast? Are the H-bomb and nuclear war predicted in the Bible? How can the knowledge of these truths transform the life? How do you reconcile seemingly contradictory verses about the return of the Lord? What is the secret of being joyful and optimistic in times like these? The answers will be found in this book. Read it and share its message with others.
