Man, however, lives entwined within this perfect system throughout his life. This is such a system that every one of the trillions of atoms forming the armchair on which we sit has an order about which a book could be written. It takes pages to tell the formation, the system and the power of a single atom. In this book, the implausibility of the spontaneous formation of an atom, the building-block of everything, living or non-living, is related and the flawless nature of Allah's creation is demonstrated
