In this funny and tender picture book for the youngest child, a fluffy cloud gets a job (with the help of his friend the police helicopter) as a police officer. But no matter how hard he tries, the qualities that make him a cloud seem to get in the way of his duties. He blocks the sun at the park instead of helping people and obscures traffic at an intersection instead of directing it. Upset, the cloud starts to cry. And it's his streaming tears—which inadvertently put out a fire in a burning building—that lead him to his true calling in life: as a firefighter!
