**Diode Laser Applied Fluoride Therapy in Prevention of Dental Caries** Shanthala Mallikarjun, Bobby Wilson, Anoop Harris

Results of first part of the study is evaluation of firmly bound & loosely bound fluoride. The purpose of this study was to evaluate the amount of loosely bound fluoride and firmly bound fluoride formed after the application of APF gel and laser activated APF gel in acidic and neutral pH at different time intervals and also to compare and evaluate the pulpal response of 810nm diode laser to different power and duration (2W & 3W for 5secs, 15secs & 30secs) in laser assisted fluoride therapy. The study on pulpal response gives an overall impression of maximum inflammatory cell infiltrate in 810nm diode laser treated at a power of 2W for 5sec, animals treated at a power of 2W & 15sec showed the pulp was affected the least whereas only one animal showed minimal inflammatory cell infiltration. Animals treated at 3W & 15sec showed less inflammatory cell infiltration though dentin demineralisation was observed and in animals treated with 3W power and 30sec, only 1 animal had exhibited minimal inflammatory cell infiltration and cellular congestion.

### **From reader reviews:**

#### **Caroline Petrie:**

Do you have favorite book? For those who have, what is your favorite's book? Guide is very important thing for us to know everything in the world. Each book has different aim or maybe goal; it means that e-book has different type. Some people truly feel enjoy to spend their a chance to read a book. They are reading whatever they get because their hobby is actually reading a book. How about the person who don't like reading through a book? Sometime, particular person feel need book when they found difficult problem as well as exercise. Well, probably you'll have this Diode Laser Applied Fluoride Therapy in Prevention of Dental Caries.

#### **Kathy Woodward:**

The e-book untitled Diode Laser Applied Fluoride Therapy in Prevention of Dental Caries is the guide that recommended to you to read. You can see the quality of the publication content that will be shown to a person. The language that publisher use to explained their ideas are easily to understand. The article writer was did a lot of research when write the book, hence the information that they share to you is absolutely accurate. You also can get the e-book of Diode Laser Applied Fluoride Therapy in Prevention of Dental Caries from the publisher to make you a lot more enjoy free time.

#### **Chris Gibbons:**

Playing with family in the park, coming to see the water world or hanging out with buddies is thing that usually you might have done when you have spare time, subsequently why you don't try point that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Diode Laser Applied Fluoride Therapy in Prevention of Dental Caries, you are able to enjoy both. It is excellent combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout guys. What? Still don't understand it, oh come on its identified as reading friends.

#### **James Newman:**

Reading a book to get new life style in this calendar year; every people loves to study a book. When you go through a book you can get a lots of benefit. When you read publications, you can improve your knowledge, because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you need to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, as well as soon. The Diode Laser Applied Fluoride Therapy in Prevention of Dental Caries provide you with new experience in reading through a book.
