Romance Around Us

Andrei Merkulov

Romance Around Us Andrei Merkulov

Andrei Merkulov has written a book of short stories about Soviet test-pilots and the script of the motion picture "The Aim of His Life." His new book "Romance Around Us" is not fiction. He introduces the reader to Soviet test-pilots, whose daring feats at high altitudes laid the way for the cosmonauts; to the famous four soldiers, who for forty-nine days fought the raging Pacific; to the old revolutionary and writer Ivan Kozlov, blind but not defeated, to M. Gerasimov, the sculptor and anthropologist.

The author visited the North Pole, the far-way Komandorskiye Islands and now tells of the romance of the sea, the life in the taiga around the Baikal Lake and about the courageous people inhabiting the remote outskirts of the Soviet Union.

From reader reviews:

Phillip Ruiz:

As people who live in the particular modest era should be update about what going on or information even knowledge to make these individuals keep up with the era which can be always change and progress. Some of you maybe will update themselves by reading through books. It is a good choice for you personally but the problems coming to you is you don't know which one you should start with. This Romance Around Us is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

David Ramos:

Are you kind of stressful person, only have 10 or maybe 15 minute in your morning to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you are receiving problem with the book when compared with can satisfy your short space of time to read it because all this time you only find reserve that need more time to be study. Romance Around Us can be your answer given it can be read by a person who have those short time problems.

Keith Karam:

That publication can make you to feel relax. This particular book Romance Around Us was colourful and of course has pictures on there. As we know that book Romance Around Us has many kinds or style. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and think that you are the character on there. So , not at all of book are generally make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book for you and try to like reading which.

Patsy Locke:

What is your hobby? Have you heard that will question when you got scholars? We believe that that problem was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And you also know that little person like reading or as reading through become their hobby. You need to know that reading is very important along with book as to be the matter. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You see good news or update regarding something by book. Many kinds of books that can you decide to try be your object. One of them is actually Romance Around Us.
