Alison Munden

The AD/HD Handbook: A Guide for Parents and Professionals Alison Munden

Written specifically for parents and health care professionals who have little prior knowledge of ADHD (Attention deficit hyperactivity disorder), this handbook provides a concise introduction and further information on the nature of the disorder. It outlines the symptoms and difficulties associated with the disorder and the sort of treatments and interventions available. The text also offers suggestions of where, or from whom more information and practical help can be found.
