Their names echo through the halls of time and the National Baseball Hall of Fame. Their feats are legendary. They never quit, and they never backed down. They inspired generations of Americans to push themselves to do their very best. They were, and remain, the heroes of baseball.

Hitting monster home runs, pitching perfect games, making impossible catches, and stealing home during the World Series -- these are the kinds of feats that turn baseball players into baseball *superstars*. But it takes more than great feats to become a hero of the game.

Every generation needs its own heroes, and in each generation that need is answered differently. Heroes reflect the times and societies in which they live and work. The impact made by baseball's heroes affects the way our society perceives itself, as well as the goals we set for ourselves and for our nation. Award-winning sportswriter Robert Lipsyte presents his vision for who the heroes of the game are, and what they did to achieve their legendary status.
