Horses: The Illustrated Guide to Breeds Chris Mason

Horses: The Illustrated Guide to Breeds is a comprehensive visual directory of the officially recognized world's horse breeds including evolution, history and numerous professional photographs of the horse breeds included. The introductory section begins with the evolution and history of the horse- from its earliest ancestors to the basic horse types. The domestication of the horse, modern breeds, good horse management, psychology and behavior, the life cycle of the horse, and the role of the horse today are all included and illustrated in this introductory section.

The next sections of *Horse: The Illustrated Guide to Breeds* features sections on the anatomy, physiology, and psychology of the horse, and specialist terminology is illustrated with examples taken from the breeds featured in the Encyclopedia. It ends with a glossary of clearly explained horse terms that ensures you will gain the maximum information and enjoyment. Photographs, maps, and drawings show how particular conformations and characteristics have evolved into groupings which are recognized today. This guide to horse breeds is a thorough investigation of the history of horse breeds and information on breeds thriving today. For the person in your life who loves horses, is looking to own a horse or for the child who loves ponies, *Horses: The Illustrated Guide to Breeds* is a great gift.
