Landscape Estimating and Contract Administration

Stephen Angley, Edward Horsey, David Roberts

Landscape Estimating and Contract Administration Stephen Angley, Edward Horsey, David Roberts "Landscape Estimating and Contract Administration" contains business information necessary for students studying landscape design, installation, and maintenance. Each of the 22 chapters is designed to provide enough material for a one-hour classroom lecture. Self-testing questions and key word definitions in each chapter help make the text user-friendly for the teaching and learning of landscape design, installation, and maintenance. The text identifies how to estimate the cost of landscape work for bidding and budgeting purposes, and how to monitor the costs of each job. Discussions of breach of contract, landscape specifications, and liens are also included.
