Mothers Are Like That Carol Carrick

Mothers care for their babies in all kinds of ways. A mother duck keeps her eggs warm, a mother cat washes her little ones with her warm, gentle tongue, a mother goose chases intruders away from the nest . . . and a human mother lovingly tucks her child in and kisses him good night. The profound connection between mother and child emanates from every word and brush stroke as Carol Carrick's spare, elegant text and her son Paul Carrick's luminous paintings join to create a tender and reassuring picture book.
