## **Occupational Hearing Loss, Third Edition (Occupational Safety and Health)**

New material on systemic causes of hearing loss and co-factors associated with occupational hearing loss

The authors' academic depth and experience in the field, combined with their ability to write clearly in language accessible to non-medical personnel, set this book apart. No other book available has the breadth, practical detail, or comprehensive scope. A unique compendium of information about specific problems of occupational hearing loss and hearing conservation, the book is both a balanced reference and easy-to-use guide to protecting the hearing of industrial workers.
