Remaking a Garden- The Laskett Transformed Sir Roy Strong

The garden at the Laskett in Herefordshire is always described as the largest formal garden laid out in Britain since the war and one of most important and interesting gardens of the second half of the twentieth century. It was made by **Roy Strong** and his wife, theatre designer Julia Trevelyan Oman, between 1973 and 2003. In the latter year Roy's book about the garden and how it was made (*The Laskett: the story of a garden*) was published, Julia died, and Roy started to remake the garden. *Remaking a Garden: the Laskett Gardens Transformed* is the story of that remaking, told by Roy, with photographs by Clive Boursnell, who has photographed the whole process from the beginning.
