In *The Keys To Ascension*, Allfaaraa answers the questions that humanity has been asking, and does so from direct experience and access to the Celestial realm (5D). Allfaaraa delivers the side of the story you have never heard.

Who are we? Why are we here? What is God? What is this world? Where did we come from? Where are we going? What is a "walk-in"? Why do we incarnate? What is an "ego" and, more importantly, why do we have one? What is evil and why does it exist here? How does "the game of God" work in this world?

These questions and many more are answered simply and completely, including the mechanics (the how and the why) and the spiritual and Earthly history to go with it. *The Keys To Ascension* explains "God's game" in this world so that every aspect can be fully understood.

Allfaaraa picks up where Eckhart Tolle left off by delivering a Celestial understanding of the Earthly ego, allowing the individual to discover the final pieces of the puzzle that you have been trying to assemble all of your life. If the ego and the mind are obstacles to "enlightenment," then WHY do we have them in the first place? The ego/mind (and the darkness/drama/evil that it creates) is the driving force in our ascension. Without it we will not ascend and return to the Celestial realm from whence we came.

As Allfaaraa says, "Darkness is the fertilizer that allows light to grow."
