What's so uncanny about the 29th annual edition of Uncle John's? This enduring book series has been delivering entertaining information to three generations of readers (so far)...and it's still going strong! How do they do it? Back in 1988, Uncle John successfully predicted the way that 21st-century readers would want their information: in quick hits, concisely and cleverly written, and with details so delightful that you're compelled to share them with someone else. (Kind of like the Internet, but without all those annoying ads.) This groundbreaking series has been imitated time and time again but never equaled. And *Uncanny* is the Bathroom Readers' Institute at their very best. Covering a wide array of topics—credible origins, forgotten history, weird news, amazing science, dumb crooks, and more—readers of all ages will enjoy these 512 pages of the best stuff in print.
