All You Can Handle (Moments In Maplesville) (Volume 5) Farrah Rochon

Ian Landry knows a thing or two about responsibility. He put his dream of owning a motorcycle shop on hold and steers clear of romantic entanglements while he raises his baby sister. But when the building he's coveted for his bike shop suddenly becomes available, he can't allow the opportunity to pass him by. And when he spots a beautiful stranger sitting at the bar of his favorite hangout, Ian decides it can't hurt to have a little fun...if only for one night. Only he doesn't count on his smoking-hot one-night stand showing up on his doorstep the next morning. The sleepy town of Maplesville is only supposed to be the first stop on Madison "Sonny" White's new journey to becoming a professional pastry chef. After breaking free from the shackles of her former life, she isn't looking to get tied down anytime soon. But the appeal of this quaint town on a Louisiana bayou draws Sonny in more than she could have ever anticipated, and the attraction between her and the hottie who turns out to be her new landlord cannot be denied. Love was the last thing they were looking for. But their chance meeting kick-starts a high-octane rush of desire that gives Ian and Sonny all they can handle.
