Fuck You Too: Extras + More Scrapbook

Glen E. Friedman

Fuck You Too: Extras + More Scrapbook Glen E. Friedman

Never content to rest on his laurels, Friedman reopened his vast photo files after the publication of Fuck You Heroes, and before long a second book was assembled: Fuck You Too- The Extras and More. The title sums it up perfectly. With Fuck You Heroes being a serious document of a specific time and group of subjects, this book is a looser, wider collection of Glen's shots featuring approximately 350 mostly colour images of the pioneers, iconoclasts and madmen of skateboarding, punk and rap. Each shot captures an honest, intimate moment of power from the likes of Minor Threat, Black Flag, Tony Alva, Germs, Run DMC, TSOL, The Ramones, Public Enemy and many more.

From reader reviews:

Kathy Natal:

Book is to be different for each and every grade. Book for children till adult are different content. To be sure that book is very important normally. The book Fuck You Too: Extras + More Scrapbook ended up being making you to know about other information and of course you can take more information. It is quite advantages for you. The e-book Fuck You Too: Extras + More Scrapbook is not only giving you a lot more new information but also to be your friend when you feel bored. You can spend your current spend time to read your reserve. Try to make relationship with the book Fuck You Too: Extras + More Scrapbook. You never really feel lose out for everything should you read some books.

Agustin Byler:

The reason why? Because this Fuck You Too: Extras + More Scrapbook is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who else write the book in such awesome way makes the content inside easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of rewards than the other book have such as help improving your expertise and your critical thinking technique. So , still want to hold up having that book? If I were you I will go to the book store hurriedly.

Martha Bryant:

Reading a book to become new life style in this 12 months; every people loves to examine a book. When you examine a book you can get a wide range of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you need to get information about your review, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, as well as soon. The Fuck You Too: Extras + More Scrapbook will give you a new experience in reading through a book.

Melody Herrera:

You could spend your free time to see this book this reserve. This Fuck You Too: Extras + More Scrapbook is simple bringing you can read it in the playground, in the beach, train and soon. If you did not get much space to bring often the printed book, you can buy typically the e-book. It is make you better to read it. You can save the particular book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.
