Death and the Afterlife Robert Morey

Uncover the Truth About the Future

In *Death and the Afterlife*, Robert Morey clearly lays out the biblical statements about death and what takes place after death. A clear presentation of biblical facts based on sound theology, this book will help readers distinguish which theories about the afterlife are true and which are simply popular belief or cultural misinformation.

The book also serves an important role of defending the biblical truth against the teachings of occultism, materialism, universalism, and other enemies to the Scripture. By defining key terms and examining both the historical and biblical development of the doctrine of the afterlife, the book becomes the most comprehensive and thorough guide available on the topic.
