Gospel Shaped Church is a new curriculum from The Gospel Coalition that will help whole congregations pause and think carefully and prayerfully about the kind of church they are called to be.

This seven-week track explores what it means to be a community engaging with the world with compassion and justice.

This comprehensive handbook contains discussion questions for the main teaching sessions, daily devotionals, Bible study materials, and space for you to record your thoughts, prayers and ideas as you work through the material with your church.

This flexible resource will train your whole church through teaching, preaching, daily reading and small-group Bible study and discussion or any combination of those elements. The overall aim is that your church will embark on a journey to discover the kind of people they should be as they are shaped by the gospel of Jesus Christ.

Works alongside the Gospel Shaped Mercy DVD and the Gospel Shaped Mercy Leader's Guide for use by church members.
