Testosterone: A Novel

James Robert Baker

Testosterone: A Novel James Robert Baker

"A tour de force, part noirish suspense novel and part grim satire of compulsive gay male sexuality, as despondent as a Jim Thompson yarn in which the narrator is killed on the last page. It is as compelling as good Thompson too."-*Booklist*

A satirical, hysterical, horicic rocked fueled trek around LA in pursuit of the most unlucky ex-lover in history. Or maybe hes a psychotic. Or maybe the narrator is. Either way, someone is going to die.

James Robert Baker is the author of five other novels: *Testosterone*, *Boy Wonder*, *Fuel Injected Dreams*, *Adrenaline* and *Right Wing* (published on the Internet). Baker was a filmmaker whose underground film *Mouse Klub Konfidential*, about a Mouseketeer turned gay-bondage filmmaker, is credited with driving Michael Medved away from filmmaking. On November 5, 1997, he committed suicide.

Also Available by James Robert Baker:

Adrenaline
