The Babies Susan Sontag

As perversions go, infantilism is little known, and even less understood. Imagine fully grown men wanting to revive their earliest days--dressed in diapers, dipped in baths, and "fed" from breasts--as a means to sexual stimulation or familial comfort. Now imagine trying to document this--yes, the thought that just popped into your head is right--and you have an idea of the Herculean effort Borland went through to grapple with and understand people with this type of fetish. Portrait-photographer-by-trade Polly Borland compassionately explores this surreal world, artfully framing the inner lives of adult babies alongside their outer manifestations. Many of these men, who function in society as truck drivers, accountants, and teachers, suffered as children and were left obsessed with the warmth and care experienced by other infants and toddlers. So they dress up in adult-sized baby clothes, powder their own bottoms, and...do what babies do, all in an attempt to recreate that lost attachment. And sometimes to get aroused. Accompanying these Arbus-like photographs are interviews with the babies themselves. The book, expertly sequenced by famed editor Mark Holborn, begins like the sweetest of lullabies, seducing us into a sense of lovely baby life... until about page 12.

From reader reviews:

Florence Croy:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to be aware of everything in the world. Each e-book has different aim or maybe goal; it means that reserve has different type. Some people truly feel enjoy to spend their a chance to read a book. They are really reading whatever they acquire because their hobby is usually reading a book. Why not the person who don't like studying a book? Sometime, man feel need book when they found difficult problem or even exercise. Well, probably you'll have this The Babies.

Jesus Reeves:

The book The Babies make you feel enjoy for your spare time. You may use to make your capable far more increase. Book can for being your best friend when you getting tension or having big problem together with your subject. If you can make examining a book The Babies for being your habit, you can get much more advantages, like add your current capable, increase your knowledge about some or all subjects. You may know everything if you like start and read a book The Babies. Kinds of book are a lot of. It means that, science publication or encyclopedia or other folks. So , how do you think about this publication?

Susan Tarin:

Many people spending their period by playing outside together with friends, fun activity having family or just watching TV the whole day. You can have new activity to spend your whole day by studying a book. Ugh, ya think reading a book can definitely hard because you have to use the book everywhere? It fine you can have the e-book, having everywhere you want in your Smart phone. Like The Babies which is keeping the e-book version. So , try out this book? Let's view.

Laurie Dunn:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Babies can make you experience more interested to read.
