Hidden Dragon, Crouching Lion: How China's Advance in Africa is Underestimated and Africa's Potential Underappreciated (Strategic Studies Institute Monograph) David E Brown

The Strategic Studies Institute (SSI) has maintained close and positive professional ties with our colleagues at the Africa Center for Strategic Studies (ACSS) in Washington, DC, since ACSS's founding in 1999. The Africa Center is the preeminent U.S. Department of Defense (DoD) institution for strategic security studies, research, and outreach in Africa. I am pleased that SSI and ACSS are once more able to collaborate in the publication of this monograph, entitled Hidden Dragon, Crouching Lion: How China's Advance in Africa is Underestimated and Africa's Potential Underappreciated. Its author, David E. Brown, is currently the Senior Diplomatic Advisor at ACSS. He brings unique perspectives to the important foreign policy issue of China's rapid commercial and political advance in Africa, having served eight times in China and Africa as a Foreign Service Officer at U.S. Embassies, U.S. Consulates, and the American Institute in Taiwan.
