Soledad: A Novel

Angie Cruz

Soledad: A Novel Angie Cruz

At eighteen, Soledad couldn't get away fast enough from her contentious family with their endless tragedies and petty fights. Two years later, she's an art student at Cooper Union with a gallery job and a hip East Village walk-up. But when Tía Gorda calls with the news that Soledad's mother has lapsed into an emotional coma, she insists that Soledad's return is the only cure. Fighting the memories of open hydrants, leering men, and slick-skinned teen girls with raunchy mouths and snapping gum, Soledad moves home to West 164th Street. As she tries to tame her cousin Flaca's raucous behavior and to resist falling for Richie -- a soulful, intense man from the neighborhood -- she also faces the greatest challenge of her life: confronting the ghosts from her mother's past and salvaging their damaged relationship.

Evocative and wise, *Soledad* is a wondrous story of culture and chaos, family and integrity, myth and mysticism, from a Latina literary light.

From reader reviews:

Jesse Linder:

Reading a e-book tends to be new life style with this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Together with book everyone in this world may share their idea. Guides can also inspire a lot of people. Many author can inspire their reader with their story or maybe their experience. Not only situation that share in the textbooks. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors these days always try to improve their ability in writing, they also doing some research before they write to their book. One of them is this Soledad: A Novel.

Todd McCrea:

The particular book Soledad: A Novel has a lot of information on it. So when you read this book you can get a lot of profit. The book was written by the very famous author. This articles author makes some research previous to write this book. This particular book very easy to read you may get the point easily after scanning this book.

Charles Simpson:

This Soledad: A Novel is completely new way for you who has intense curiosity to look for some information mainly because it relief your hunger info. Getting deeper you on it getting knowledge more you know otherwise you who still having little bit of digest in reading this Soledad: A Novel can be the light food in your case because the information inside this particular book is easy to get by simply anyone. These books create itself in the form that is reachable by anyone, that's why I mean in the e-book contact form. People who think that in guide form make them feel sleepy even dizzy this reserve is the answer. So you cannot find any in reading a reserve especially this one. You can find actually looking for. It should be here for you. So , don't miss this! Just read this e-book style for your better life and also knowledge.

Michael Spicer:

That reserve can make you to feel relax. This kind of book Soledad: A Novel was colorful and of course has pictures on there. As we know that book Soledad: A Novel has many kinds or variety. Start from kids until teenagers. For example Naruto or Private investigator Conan you can read and believe that you are the character on there. Therefore , not at all of book are generally make you bored, any it makes you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading which.
