a deeply probing book that gets to the heart of what all healthy romantic relationships need: fairness

Most couples enter marriage hoping it will last forever-so why are more and more relationships failing? As Dr. B. Janet Hibbs explains, the key to solving most relationship problems-whether relating to money, children, chores, sex, or in-laws-is through a shared sense of fairness. Intuitively, we think we know what's "fair." But as this book reveals, the way we each understand fairness is much more complex, and is powerfully shaped by our family expectations and experiences.

Dr. Hibbs provides readers with a road map for recognizing imbalances and building a stronger, more loving relationship based on a new kind of fairness. Filled with compassion, practical advice, and compelling, real-life examples throughout, this book offers a groundbreaking understanding of the issues that divide couples over time-and how they can be happier and closer than ever.
