Violet Star (The Karma Chronicles) (Volume 1) J. Oliver Madison

No one at Mitchelstown High has any idea of the secret life Carmella Anderson leads. Sure, on the surface, she's a charismatic and geeky student with a crush on a popular skateboarder. But beneath that, she has a decade of experience as a ninja in training. After shattering generations of tradition in her family's way of the mercenary, Carmella's grandfather began a new tradition—standing up for the few good citizens in her hometown of Blyton. When night falls, she must take on the persona of Karma and bring balance to a corrupt city. However, her martial arts and arsenal of advanced weaponry may not be enough to track down a beastlike rogue ninja involved in a recent string of murders. Karma will need help from friends, family, and her genetic gift—special abilities unique to her clan—to uncover the mystery behind the killer and bring him to justice.
