Wiki Loves Monuments is an international photo contest for monuments, organized by Wikimedia in September. Wikimedia is the movement behind Wikipedia, the free encyclopedia - a global collaboration authored by volunteers. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.

It is great combination right, you still need to miss it? What kind of hang type is it? Oh come on its mind hangout people. What? Still don't have it, oh come on its called reading friends.

Chester Brown:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or even make

summary for some e-book, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Monuments of South Africa 2016: The Best Photos from Wiki Loves Monuments, the World's Largest Photo Competition on Wikipedia (Calvendo Places) can make you truly feel more interested to read.
