Perception: A Clarity Novel Kim Harrington

When you can see things others can't, what happens when someone is watching you?

Everybody knows about Clarity "Clare" Fern. She's the psychic girl in school, the one who can place her hands on something and see hidden visions from the past.

Only, Clare would rather not be a celebrity. She prefers hanging back, observing. Her gift is not a game to her.

But then someone starts playing with her head and heart. Messages and gifts from a secret admirer crop up everywhere Clare turns. Could they be from Gabriel, the gorgeous boy who gets Clare's pulse racing? Or from Justin, Clare's hopeful ex-boyfriend who'd do anything to win her back?

One thing is certain. Clare needs to solve this mystery, and soon. Because the messages are becoming sinister, and a girl in town has suddenly disappeared. Clare needs to see her way to the truth -- before it's much too late.
