The Billionaire's Proposition: Complete Collection Rose Francis

This collection contains all 3 love stories in The Billionaire's Proposition series involving billionaire cousins: The Billionaire's Assistant: Stressed Naomi is having one of those "Murphy's Law" kind of days—everything that can go wrong is going horribly wrong. A terrible night leads to a horrid morning beginning with her getting fired from work, but ending with a job offer from a mysterious stranger. But what's the catch? Serving the Billionaire: Curvy Cherise never expected the hot new guest in her restaurant to request her as his server. He had so many other options—thinner, prettier types more than eager to cater to all of his needs—but the sexy, mysterious man insists on having the bodacious beauty in more ways than one. The Tycoon's Reluctant Bride: Lonely Megan finds her life even emptier when her best friend suddenly passes away. But she ends up winning a much-needed island getaway and gets seated next to a hunk who is convinced she's destined to be his wife! Can the wealthy stranger convince her they were made for each other? Follow the wealthy Davenport cousins as they pursue their love interests and find their way to happy endings!
