*Tracing the Evidence: Dinah in Post-Hebrew Bible Literature* examines the post-biblical literary developments of Dinah, the daughter of Leah and Jacob. According to Genesis 34, Dinah was sexually violated by Shechem; however, there are gaps in the biblical narrative and little written about what happened to her after the fateful time. *Tracing the Evidence* considers how post-Hebrew Bible traditions have filled in some of those gaps. Some traditions give more information about her day-to-day life, how old she was when Shechem met her, and various details about her subsequent marriage(s) and children.
