Lift the flaps and learn about animal life in this fresh, fun-filled book for curious preschoolers.

A bunny is furry and breathes air. Who else is like that — a pigeon, a fish, a chameleon, or a fox? Some animals have fins to swim with, some have feathers and a beak, some have skin that is scaly, or smooth and wet. But whatever features a creature has, someone else has them, too. Can you guess who? Big flaps and a matching spread at the end make animal classification fun.
