Gay Conversations with God: Straight Talk on Fanatics, Fags and the God Who Loves Us All James Alexander Langteaux

Representing a first in gay and Christian publishing, this provocative book presents a complete reversal of thought and action, contending that God loves homosexuals without attempting to refute scripture references. The study confronts its subject with a quirky sense of humor in the spirit of the “bedtime story,” providing a rare, evangelical Christian volume addressed directly to the gay community. Unorthodox in its presentation, this guide speaks the language of those who may feel abandoned, condemned, and damned while avoiding reinterpretations of scriptural passages, making the gospel accessible to a younger, free-spirited generation. Spearheading a volatile topic with candor and grace, it reframes the never-ending question, *Is homosexuality a sin?* and instead asks the gay community for a cease-fire—to forgive, love, and help put a stop to a cultural war being waged in the world.
