Can you imagine discovering you have a dual-existence for your entire lifetime that you knew nothing about? Can you imagine that a single evening's conversation about a couple of missing hours could lead to a discovery of your repeated abduction by aliens? Can you imagine learning an alien word and memorizing alien symbols subconsciously? Can you imagine the terror of never knowing when you will, yet again, be abducted? If you can imagine these things you have discovered only the very beginnings of this compelling page-turner. The Black Triangle Abduction examines the past ten years of alien abductions and reviews a complete lifetime of contact and programming. The story unfolds in real-time as it is revealed to the authors and the two therapists. By guiding them through hypnotic regression into the realm of unbelievable terror with graphic, jolting, horrifying detail. The authors and therapist explain the fantastic story in simple, first person terms as it happened. Two ordinary people had extraordinary experiences that could never be comprehended without professional help. If you have ever wondered about the reality of UFOs, the grays, missing time, or alien abduction, you will have a very firm conviction when you finish reading The Black Triangle Abduction
