A Portrait of Phillip

J.P. Bowie

A Portrait of Phillip J.P. Bowie

When Peter Brandon, a gifted young artist awakens from a coma of three years, he learns that his lover, Phillip, was brutally murdered and no one brought to justice for the crime. With the help of Andrew Connor, his physical therapist, he slowly regains his strength, but it is not until he visits Phillip's graveside and receives an affirmation that his dead lover is somehow guiding him to the truth, that he feels the need to get on with his life. Through mutual friends, he meets Jeff Stevens, an ex-cop now a PI, and together they discover that Phillip was not the victim of a random gay-bashing, but of a deliberate act to silence him. They unravel a web of lies, deceit and a friend's treachery. During their investigation, Peter and Jeff find a mutual attraction for each other, a situation that is thrown into jeopardy in their final face off with Phillip's killer.
