Hands-on Horse Care: The Complete Book of Equine First-Aid Karen E. N. Hayes DVM MS

Three simple-reference sections use carefully crafted questions and answers devised by veterinarians to provide all the tools needed to deal with everything from general horse care and welfare to more serious illnesses and injuries. With its highly visual flow-chart format readers can start with an observed symptom, determine whether it's a potential problem that warrants action and be guided towards the best course of action to take. Full of invaluable instruction and advice, this book will help horse owners develop a better relationship with their veterinarians and become more confident horsekeepers and observers.
