Dimple McInvale was born in Georgiana, Alabama. She was able to see a family line of mental illness, insanity and depression move from great-grandfather down to father, brother and other family members. After seeing spiritual connections to all the school shootings in America, Dimple was able to realize the majority were tied to satanism, the occult and witchcraft, she felt the Lord tell her to teach His people how to pray and break this thing off their homes, family and schools. She has been able to teach about breaking family curses and ancestral curses in her first book, Prayers to Cast Out Demons, and has seen hundreds and thousands of people set free from mental problems, satanic cults and witchcraft. As you read this book you will see how there can be witchcraft and occult problems joined to you from your ancestors. Get ready to realize as you read this book the Holy Spirit POWER God has for you to set your family and friends free. My sister Mary had been led to Christ by Ms. Dimple and one day she took me by her mission in Montgomery, AL. At that time I told her the scars on my arms were like zippers that could be re-opened at any time. I now know just how sick the devil had made my thinking. Ms. Dimple laid her hand on my scars and prayed a prayer of deliverance, a prayer like none I had heard before. From that day forward, I can wholeheartedly say that Jesus delivered me from all suicidal thinking. I will always be grateful for that Divine Appointment with Jesus and Ms. Dimple that day. ---Beverly Brabham
