The Alienist Caleb Carr

The year is 1896, the place, New York City. On a cold March night *New York Times* reporter John Schuyler Moore is summoned to the East River by his friend and former Harvard classmate Dr. Laszlo Kreizler, a psychologist, or "alienist." On the unfinished Williamsburg Bridge, they view the horribly mutilated body of an adolescent boy, a prostitute from one of Manhattan's infamous brothels.

The newly appointed police commissioner, Theodore Roosevelt, in a highly unorthodox move, enlists the two men in the murder investigation, counting on the reserved Kreizler's intellect and Moore's knowledge of New York's vast criminal underworld. They are joined by Sara Howard, a brave and determined woman who works as a secretary in the police department. Laboring in secret (for alienists, and the emerging discipline of psychology, are viewed by the public with skepticism at best), the unlikely team embarks on what is a revolutionary effort in criminology-- amassing a psychological profile of the man they're looking for based on the details of his crimes. Their dangerous quest takes them into the tortured past and twisted mind of a murderer who has killed before. and will kill again before the hunt is over.

Fast-paced and gripping, infused with a historian's exactitude, *The Alienist* conjures up the Gilded Age and its untarnished underside: verminous tenements and opulent mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. Here is a New York during an age when questioning society's belief that all killers are born, not made, could have unexpected and mortal consequences.

From reader reviews:

Daniele Vaugh:

Book is actually written, printed, or created for everything. You can recognize everything you want by a guide. Book has a different type. We all know that that book is important factor to bring us around the world. Close to that you can your reading talent was fluently. A publication The Alienist will make you to end up being smarter. You can feel considerably more confidence if you can know about every thing. But some of you think that open or reading a new book make you bored. It is not necessarily make you fun. Why they may be thought like that? Have you searching for best book or ideal book with you?

Daniel Cadena:

Reading a publication tends to be new life style in this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Having book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their own reader with their story as well as their experience. Not only the storyline that share in the guides. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors these days always try to improve their skill in writing, they also doing some exploration before they write for their book. One of them is this The Alienist.

Nicole Floyd:

People live in this new day of lifestyle always try to and must have the time or they will get wide range of stress from both way of life and work. So , if we ask do people have extra time, we will say absolutely yes. People is human not really a robot. Then we consult again, what kind of activity do you have when the spare time coming to an individual of course your answer will unlimited right. Then do you try this one, reading guides. It can be your alternative inside spending your spare time, the actual book you have read will be The Alienist.

Nancy Stever:

Reading a book for being new life style in this 12 months; every people loves to go through a book. When you read a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you wish to get information about your research, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these kinds of us novel, comics, along with soon. The The Alienist provide you with a new experience in reading through a book.
