Buried in the Maple Leaves: The Untold Story of North American Wrestling Legend Harry Geris

Shawn Geris

Sports have offered us countless heroes to look up to. Olympians and professional athletes in particular from long ago to present day have made their marks on history and the people's consciousness in such a way that they have, in many cases, pushed us to think differently as a society. The pity is that so many unsung heroes slip through the cracks. Men and women who have stories of trial and triumph, heartache and jubilation, and who have conquered obstacles that few would dare to take on are lost, and the legends that they carry never come into the spotlight to inspire and encourage. Harry Geris is one of those unsung heroes. As a child, Harry Geris migrated with his family from the Netherlands to Canada. The young Geris struggled through school as he slowly learned a language that was foreign to him. In high school the gangly Geris that was a mess of lengthy arms and legs discovered wrestling, but he was hardly a natural. That did not stop him, however. Geris had found his passion, and from that point forward, he dedicated his life to it. From working extra hours at a grocery store to pay for gym memberships to hitchhiking across his country's border for wrestling try-outs to running away from home so he could go to college to wrestle, Harry Geris displayed a love and dedication for his sport like few ever have. More than that though, Geris had character. It was that character that shined throughout his journey, which carried a callow, naive Dutch boy who had never stepped foot on a wrestling mat to three Olympic games. It was not only that Geris became an Olympian that is so intriguing, but how he became an Olympian and the adventures he had along the way. This book walks you through an amazing, and amazingly humble, man's journey.

Kelly Cohn:

People live in this new moment of lifestyle always attempt to and must have the extra time or they will get lots of stress from both everyday life and work. So , once we ask do people have time, we will say absolutely yes. People is human not only a robot. Then we ask again, what kind of activity have you got when the spare time coming to a person of course your answer will unlimited right. Then ever try this one, reading books. It can be your alternative inside spending your spare time, the book you have read will be Buried in the Maple Leaves: The Untold Story of North American Wrestling Legend Harry Geris.

Charline Bynum:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach

Chinese's country. So , this Buried in the Maple Leaves: The Untold Story of North American Wrestling Legend Harry Geris can make you sense more interested to read.
