Legendary Sidekick -in 4D! John M. Haley

Fresh out of college and on his first day on the job as a superhero's errand-boy, a seemingly ordinary guy stumbles onto an extraordinary power, and with it, an extraordinary responsibility: he has been chosen by God to rid the solar system of seven demon lords and prevent the annihilation of all human life on not one, but two planets. This epic introductory tale of an incorruptible young man learning to use his newfound strength to do the right thing, no matter how difficult or how costly, is told through the eyes of our inexperienced protagonist with a twist of satirical heroic fantasy clichés, innovative takes on time-travel, as many gunfights as there are swordfights, and a genre-defying cast of super-humans and supernatural friends and foes. Follow the LEGENDARY SIDEKICK on his maiden voyage through time, space, and heroism! Enjoy the journey, every moment of it, and all the little surprises along the way...
