This publication provides a detailed look at ten leading examples of multifamily projects that have been developed in recent years. The case studies are drawn from the ULI Case Studies program, which showcases innovative approaches and best practices in real estate and urban development. The ten projects featured offer a wide range of approaches to multifamily development. In addition to the case studies themselves, this report provides a brief overview of the key traits for this group of case studies, as well as the lessons learned at each project.
