*May all blessings be yours;  
May all gods protect you.  
By the power of all the Buddhas  
May all happiness be yours.*

What is a *Puja*? *Puja* is the chanting of devotional mantras and verses which has been performed by Buddhists worldwide for centuries. It is meant to encourage the arising of the Bodhicitta: the desire to seek enlightenment for the sake of all living beings.

This beautifully illustrated new edition collects a number of Buddhist devotional rituals and verses in English and traditional Sanskrit. It features a revised translation of the *Heart Sutra* and enlarged typeface which is ideal for dimly lit rooms. It is now available in hardback as well as paperback edition.

**Sangharakshita** is the founder of the Friends of the Western Buddhist Order (FWBO), a worldwide Buddhist movement. With a lifetime of teaching experience, he is the author of over forty titles published by Windhorse Publications.
