**The Philosophy of Andy Warhol : From A to B and Back Again** Andy Warhol

[Read by Vikas Adam]

*The Philosophy of Andy Warhol*, first published in 1975, is less a memoir than a collection of riffs and reflections. The private Andy Warhol talks about love, sex, food, beauty, fame, work, money, success; about New York and America; and about himself-- his childhood in McKeesport, Pennsylvania, good times and bad times in New York, the explosion of his career in the sixties, and his life among celebrities.
