## **The Time of Jacob's Trouble** Vernon O. Cook

In this seminal work, Vernon O. Cook delivers a comprehensive guide to the prophecies and promises given in the Old Testament to the covenant people of Israel. Inspired by the remarkable covenants and promises contained there, he has written this unique book. In *The Time of Jacob's Trouble*, the author has identified many aspects of the ancient and chosen nation of Israel and its interaction with the Great Jehovah, including the Royal Priesthood, the purpose of the Abrahamic Covenant, the conditions of the ancient birthright and blessing, the reign of kings, Israel's great schism and decline, the perpetuation of the Davidic Covenant, and the implications, responsibilities, and blessings of these covenants to Latter-day Saints in particular and to all people in general. No other single book is as comprehensive, complete, and thorough on this fascinating, historic, and prophetic subject.
