## Ground Engineering Year Book 1990

This is a guide to all aspects of the UK ground engineering industry, its materials, products, plant, consultants and contractors. With up-to-date information, this yearbook enables the user to access at a glance companies supplying a particular product or service. Each entry provides name, address, telephone, telex, fax and exact product data. The yearbook also includes sections on plant and materials, giving details of a range of commodities, from fabrics and geotextiles to pipejacking plants and trenchless technology plants. Many entries also give the names of key personnel as a point of contact. Moreover, indexes are included to aid the user to find every reference to a particular subject, regardless of how many sections it occurs in. All the larger sections divide suppliers geographically as well as alphabetically for quick access to suppliers in a particular area.
