The ***Listening Power 3*** Student Book (available separately) features four distinct parts designed to be used concurrently.

- **Language Focus** teaches essential and sometimes difficult advanced-level skills such as reduced forms, patterns of intonation, and idiomatic expressions.
- **Comprehension Focus** presents skills for understanding main ideas, supporting ideas, and details; making inferences, distinguishing facts and opinions; and recognizing organizational patterns. Activities to help students apply the skills follow the presentation.
- **Note-Taking Skills** teaches students how to identify important words and information. This section also presents helpful techniques such as use of abbreviations, symbols, and formatting.
- **Listening for Pleasure** uses interesting audio material from movies, TV, radio, and recorded storytelling to help students understand the more subtle meaning communicated through tone of voice, sentence stress, and reduced forms.
