Quick Reference Guides are the ideal desk reference tools for computer users. Get at-a-glance answers (mouse actions and keyboard shortcuts) relating to both basic and advanced functions. Want to know how to create a table in Word 97? Use the Quick Reference Guide index as your quick locator, and you'll have your answer in less time than it would take to use the Help function on your machine. These at-a-glance-answers on the desks and workstations of your home or office mean:

Fewer calls, less time spent by Help Desk departments, MIS and tech support

Less time wasted with MS Office Assistant and other on-screen helpers

Greater efficiency

Sturdy spiral binding for ease of use
